CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Around The Glades

(By Paul Rardin)

ABOUT CHOPPIN' FODDER! Cane growers have a problem with the fodder and cane tops that remain in the fodder row following harvest of their cane. Heretofore, they have had no satisfactory machine to chop and distribute the tops. All that is history now. Earl Stewart and the Glades Equipment Company in Pahokee have a new machine recently manufactured and perfected by International Harvester Company that does the job of chopping the fodder into fine pieces and distributing it evenly over the field. The working parts of the new machine are few and rugged. A good big tractor is required to pull the chopper but the job done by it is so far ahead of anything in the past that there is no comparison. If you grow cane and have a fodder and tops problem it can be solved and ended quickly if you get in touch with Mr. Stewart. The chopper and tractor under the expert hands of Salesman Cracker Spooner can do a splendid job in a short time. His demonstrations prove that.

I see where R. D. (Dick) Hill of West Palm Beach has been named chairman of the auditorium committee of the Greater West Palm Beach Chamber of Commerce. Many folks in the Glades know Dick Hill of the Florida Power and Light Company and they are of the opinion that something will be done about an auditorium in WPB with him at the head of the committee. Through the years he has done an outstanding job as the head of other important committees and the same sort of results can be expected in the future.

I've been reading about a new vending machine for gasoline that they have perfected up in Greenville, Tenn. The pump-machine will take quarters, half dollars and one dollar bills—seven of each for a total of \$12.25. If the gas pump runs dry the machine refuses your money. When the attendant arrives each morning he can switch the machines back to manual operation in a second or two. Now, if they just perfect one to wash the windshield everything will be hunky-dory.

Holiday Inn, built at a cost of \$400,000 in Belle Glade will be opened for business on February 24, according to a statement by officials of the operating company. The Inn is immediately north of Glades General Hospital and across SR80 from the National Guard Armory. Warren Spahn, for many years a star pitcher with the Milwaukee Braves and now with the N. Y. Mets is one of the stockholders along with a group of Belle Glade business men. Spahn is expected for the opening and he hopes to bring along Mickey Mantle and Casey Stengel. Should be a big day.

PATTERSON CIRCLE

The Ione Patterson circle of the Canal Point Baptist Church will meet Monday, Feb. 8 at the church. Mrs. C. B. Jones will be in charge of the program.

Race At Sebring Will Have Big Attendance

SEBRING—More than 30 manufacturers and builders of the fastest road racing cars in the world have asked for starting positions for the Sebring 12-Hour Endurance Race March 27 that covers more than 1,000 miles and requires the skillful hands and minds of those who make up the most select fraternity of speed kings.

With the teams requesting slots for approximately three to eight cars to a team, race officials are faced with the dilemma of cutting out a Ford GT, denying a Ferrari starting space or holding to a minimum the requests from other manufacturers.

Contrary to some other of the road races the Sebring 12-Hour Endurance Race, starting at 10 a.m. and finishing at 10 p.m., is open only to manufacturers and builders of cars approved by the F. I. A.

On Feb. 18 at 6:30 p.m. a Founders Day banquet and dance will be held at the county council building in West Palm Beach. Those interested in making reservations may call Mrs. Richard Murray in Belle Glade by Feb. 15.

Mrs. James Baugher urged parents to remind their children to buy savings stamps at the school on Wednesdays. W. E. Blackwell, program chairman narrated a play on the growth and contribution the PTA makes on home, school and community life. The scenes were enacted by teachers and students. Mrs. Billy Huddle was pianist.

The room count award was given to Mrs. Huddle's 4th grade. Mothers of Mrs. Henderson's 2nd grade were in charge of refreshments and served the traditional Founders Day cake.

Rev. Hunter will use for his subject, "The New Baptist Junior College" which is being planned for Palm Beach Gardens near West Palm Beach. Nearly all of the Baptist churches in the West Palm Beach area are actively backing the project and many of the pastors are explaining the possibilities of the college before different civic clubs in the county.

Next Monday night, February 8, the program will be devoted to Boy Scout club work in the area and a speaker well versed in the subject will appear before the Canal Point Lions.

Funeral Services In Hazelhurst, Ga.

Funeral services were held in Hazelhurst, Ga., Thursday afternoon for Orion Canada Roland, 68, who died suddenly at his home in Canal Point Sunday afternoon as the result of a heart attack. Mr. Roland was a farmer and with Mrs. Roland had spent the winters in Canal Point for the past 35 years. They also had a home in Georgia near Glenwood where they spent the summers.

Survivors included the widow, Mary, who is a sister of Mrs. Jack Pope in Canal Point and one brother, O. A. Roland of Atlanta, Ga., and one sister, Mrs. Vivian Mibbs of Brunswick, Ga.

Local arrangements were under the direction of Wetherington Funeral Home in Pahokee where the body was viewed by friends on Monday before being taken to Hazelhurst for burial.

Founder Program Canal Point PTA

Th Canal Point PTA observed Founders Day at their monthly meeting Monday night, Feb. 1 at the school. Mrs. Mildred Larrick gave the flag salute with Rev. James Baugher giving the opening devotions.

Announcement was made of the coming Area 6 conferences to be held at the Pahokee High School on Feb. 23. In other announcements it was learned that the PTA county council will sponsor a play March 27, at 8 p.m. in the Pahokee High School auditorium by the Palm Beach Junior College Play-

ers.

On Feb. 18 at 6:30 p.m. a Founders Day banquet and dance will be held at the county council building in West Palm Beach. Those interested in making reservations may call Mrs. Richard Murray in Belle Glade by Feb. 15.

Mrs. James Baugher urged parents to remind their children to buy savings stamps at the school on Wednesdays. W. E. Blackwell, program chairman narrated a play on the growth and contribution the PTA makes on home, school and community life. The scenes were enacted by teachers and students. Mrs. Billy Huddle was pianist.

The room count award was given to Mrs. Huddle's 4th grade. Mothers of Mrs. Henderson's 2nd grade were in charge of refreshments and served the traditional Founders Day cake.

Band Concert Will Be Heard Feb. 7

Bandmaster Robert O. Lampis' 52-piece Pahokee High School Band will present the first of a series of free winter concerts in the high school auditorium Sunday, Feb. 7, starting at 3:30 p.m. There is no charge of admission. The public is invited.

Included in the program is "Wheare's 'Czech Suite,'" a required number for Class CC bands, both at the 1965 district band contest to be held in Pahokee, the third week in March, and at the State Band Contest (southern division) in Miami the second week in May.

The band will also play in the Sunday concert "Pride and Glory"—Yoder; "With Flags Unfurled"—Darcy; "Emblem of Unity March"—Richards; "Arkansamba"—Yoder; "Autumn Leaves"—Kosma; "Merry Men Selection"—Thomas; "Down by the River"—Walters; "Rosaly"—Nevins; "Boys of Syracuse"—medley arrangement by Yoder; "So What!"—Black; "True Blue March"—King.

Also "Rhumabala" — Yoder; "Civil War Suite" — Walters; "Peace and Freedom March" — Darcy; and "The Star-Spangled Banner" — Fillmore arrangement.

HAS HEART ATTACK

Mrs. J. B. Elliott, former resident of Pahokee recently suffered a heart attack while visiting her son and daughter-in-law, Mr. and Mrs. Thomas Elliott in Grove Hill, Ala. Friends wishing to send cards may address them to P. O. Box 612, Grove Hill, Ala.

Hospital Auxiliary Pink Ladies Now Number 99

Former Resident Weds In Georgia

Mrs. G. Lawton Sims of Gainesville, Ga., and formerly of Canal Point, announces the marriage of her daughter, Mrs. Walter Faust Durden to Earl Dukes, Jr., both of Gainesville, Ga.

Mr. Dukes is the son of Mr. and Mrs. Earl Dukes, Sr., of Norcross, Ga.

The wedding was solemnized in the presence of the immediate families on Friday, January 29 in the chapel of the First Baptist church with Rev. Larry Bauman of St. Paul Methodist church officiating.

The couple will make their home at 590 Holly Drive, Gainesville, Ga.

Few Vegetables Here After Freeze

There are few vegetables available in the Pahokee and Canal Point area right at the present time on account of the severe freeze of a couple of weeks ago. In the Belle Glade area harvesting of leafy vegetables goes on regularly.

If course folks in this immediate section of the Lake Region are cutting celery and the price is steady around \$2.50 per crate. Hearts are bringing a little more than they usually do.

Cabbage is bringing \$1.25 per bushel and growers thought the price might go up a little following the freeze but up until now the bulletin out of Belle Glade shows only the low price quoted.

In the Pompano area what few beans there are left are bringing the grower from \$5.00 to \$6.00 per hamper and corn is available at \$3.50.

Heart Ball Will Be Held On Feb. 27

Mrs. Sam N. Knight, Chairman, of the fourth annual Glades Heart Ball today announced the Ball will be held at the New Holiday Inn on Saturday, February 27th from 9 p.m. to 1 a.m. Joe Sigmond's Palm Beach Orchestra will furnish music for the gala affair. A buffet breakfast will be served to all Heart Ball guests following the dance at the Holiday Inn dining room.

One of the highlights this year will be the crowning of the "King and Queen of Hearts"—Mr. and Mrs. L. V. McClelland of Canal Point, both of whom have had heart surgery. Senator Jerry Thomas, President of Heart Association of Palm Beach County, will do the honors.

Mrs. Knight announces the following will assist with the Heart Ball: Decorations: Mrs. William Rhodes, Chairman—Mrs. Lee Berryhill, Mrs. Murray Weeks, Mrs. Milton Burr, Mrs. George Tucker and Mrs. Kenneth McIntosh.

Tickets: Mrs. Ercel Mixson, Chairman, Belle Glade; Mrs. Jimmy Wilson, Chairman, Pahokee.

Starting Feb. 1, a working schedule for the Pink Ladies of the Everglades Memorial Hospital Auxiliary was set up for daily afternoon and evening duty, according to announcement by Mrs. Grace Maxson, president. Auxiliary members will serve as receptionists in the hospital building during the afternoon and evening visiting hours.

Any member who is unable to be on duty as scheduled, because of illness or some emergency, is asked to notify Mrs. Barbara Rosenberg, phone 924-7878, as far in advance as possible, in order to fill in the schedule with a substitute.

The 99 charter members of the Everglades Memorial Hospital Auxiliary include Madames Norma Aldridge, Helen Brown, Christine Fraser, Tinkie Nason, Lillian Padgett, Willola Moss, Alyce Tyson, Margaret Wilkinson, Shorty Dobrow, Doris Sasser, Mae Magrill, Frances Moore, Geraldine Atkins, Catherine Sears and Lavinia Park.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Bird lovers and mosquito control experts engaged in a lengthy and some times heated discussion Monday on the merits of DDT and other pesticides.

The discussion was brought about by a mosquito control program now being carried out in the county as a means of controlling yellow fever mosquitoes. The control program is a joint project of Federal, State and County health units and the county's mosquito control department.

Speaking for the Audubon Society, several feminine members of the audience charged that the mosquito spray program was killing birds and plants and asked the commission to stop the program.

Mrs. Paul Dreher, spokesman for the opposition, said spraying is being done without the consent of property owners. She further stated there was no yellow fever in

Palm Beach County and that tax dollars are being spent on non-existent yellow fever. She protested the use of DDT, saying it not only kills birds and plants but that it is also injurious to humans.

Representatives of the spray program countered that the chemicals being used are in such diluted form that they are not harmful to birds and plants.

They explained that the present program is one outlined and approved by the U. S. Public Health service and that it had been approved only after a pilot study had been carried out.

The commission listened but took no official action, explaining that the board was without authority to intercede.

The opposition said it would hold further discussions with a layman's committee representing the control program in an effort to achieve a cut back in the spraying program.

Calling Shower For Elaine Hurt

Miss Alice Elaine Hurt, bride-elect of Don Thompson, was honored with a calling shower Friday, Jan. 29, at the home of Mrs. Robert L. Hatton, 2271 Bacon Point Road. Receiving guests with Miss Hurt and Mrs. Hatton were the honoree's mother Mrs. Richard F. Hurt and the groom's elect's mother Mrs. Juanita Sullivan, all of whom wore orchid corsages.

Miss Sharon Watson was at the guest book. The refreshment table was laid with a white linen hand-made cloth imported from Portugal and featured a footed crystal bowl of pink rosebuds and crystal candelabra and pink tapers.

The hostesses were Mrs. Hatton, Mrs. Hugo Boé, Mrs. Hugh Branch, Mrs. Robert C. Hatton, Mrs. W. H. Kemp, Mrs. I. M. Lair, Mrs. John Rogers, Mrs. Robert Simonson, Mrs. Corley Watson, Mrs. Joe E. Thompson and Mrs. Don Zaccagno. Their gift to Miss Hurt was a toaster.

Deaf Man Perfects Midget Transistor Hearing Aid

If you can hear people talk and can't make out the words clearly, then this will be your answer. An extremely small hearing aid using a tiny energized unit has been perfected by a man who himself is hard of hearing and has been for over 10 years. With his new aid, even whispers are crystal clear. If interested it is suggested you write HEARING, 32 E. 9th St., Erie, Pa. You will receive full information at no cost or obligation whatsoever.—Adv Jan 29, Feb 5 p

County Attorney Resigns His Job

County Commissioners Monday gave formal acceptance—with regret—to the resignation of Harry A. Johnston as county attorney.

Johnston presented his resignation at an administrative meeting last week, saying he was giving up the county job in order to devote more time to private practice.

Commission Chairman Lake Loyal read a prepared statement lauding Johnston's long tenure as head of the county's legal staff noting that throughout the years, the county, because of Johnston's ability, has never been in any legal difficulty.

He said Johnston is recognized throughout the state as the dean of county attorneys.

Loyal recommended that the commission name Henry Lillenthal, assistant county attorney as Johnston's successor, but action was delayed at the suggestion of Commissioner George Warren who asked that an administrative meeting be called next week to name a new county attorney.

New Garbage Deal Given Final Okieh

The Glades Sanitation Co. was granted an exclusive franchise for garbage and trash pickups in the unincorporated areas near Canal Point and Lake Harbor Monday.

The company petitioned the board for the franchise, after purchasing two pick up routes which previously served the area.

The South Florida Sanitation Co., identified as a company doing garbage and trash pick ups in Belle Glade, expressed interest in the Lake Harbor-Canal Point area, but the county commission said since no formal application for franchise had been made it would not delay approving a franchise for the Glades Sanitation Company.

BACK TO COLLEGE

Kirby Mole and Buddy Culbertson have returned to their studies at Arkansas A&M following a visit with their parents, Mr. and Mrs. W. G. Mole and Mr. and Mrs. W. P. Culbertson.

BIRTHDAY PARTY

Randy Wilkinson enjoyed his 18th birthday with a party and dance given him by his parents, Mr. and Mrs. Charles Wilkinson, his grandmother, Mrs. W. G. Hull and his aunts Mrs. Richard Nason, Mrs. Ellis Wilkinson, Mrs. Wallace Barnes and Mrs. W. R. Wilson. Approximately 150 guests attended.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed $4\frac{1}{4}\%$ each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{2}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{2}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

Larson Sudden Death Takes Public Servant

TALLAHASSEE — The unexpected and tragic death of State Treasurer J. Edwin Larson has robbed Florida of one of its outstanding public servants. It also means that another veteran has been lost to the State Cabinet.

Four years ago Floridians were surprised at the unusual situation of two new cabinet members taking office at the same time. There had been very few changes in cabinet posts during previous years.

The changes saw Tom Adams succeed R. A. Gray as Secretary of State. Adams was the fifth man in 80 years to take over that post. The same year Doyle E. Connor took over the post of Commissioner of Agriculture, the seventh occupant of that office.

The rate of change has been accelerated since. The elevation of Attorney General Richard Ervin to the State Supreme Court gave James W. Kynes the appointment as Attorney General. Kynes, in turn, was succeeded by Earl Faircloth due to the election victory last year. Now, the death of Larson means that another new face will soon be seen at Cabinet meetings.

Only Superintendent of Public Instruction Thomas D. Bailey and Comptroller Ray E. Green can be listed as veteran Cabinet officers.

Florida Fair Has Magician M. Roy

State Barge Canal Gets Adams Support

TAMPA — World-famed magician Marvin Roy, known in the trade as Mr. Electric, headlines daily shows in the Electrical Exposition of the Florida State Fair running in Tampa Feb. 2-13.

Mr. Electric will give four performances daily in the Electrical Exposition auditorium and his act is supported by Ernie Lee and other personalities of Tampa-St. Petersburg television station WTVT.

Assisted by his wife Carol, Mr. Electric uses much electrical equipment and devices in his act which he has put on all over Europe on network television and in some of the top cabarets and night clubs in the U. S.

Tampa Electric Co. annually sponsors the Electrical Exposition which features a display of the newest electrical appliances for home and industry.

Mrs. F. J. Winchester accompanied her daughter, Mrs. H. E. Smith to her home in Orlando Tuesday following a week's visit with her son-in-law and daughter Mr. and Mrs. Minter Collins and family.

CRAWFORDVILLE — Secretary of State Tom Adams said recently that Florida would try to link up several important parts of its waterways system now that the Cross State Barge Canal digging is well underway.

Adams spoke at a chamber of commerce installation banquet as Fred Keightley, publisher of the Wakulla County News of Crawfordville, took office as president of the Wakulla County Chamber of Commerce.

The inland waterway in West Florida now ends at Carrabelle, Adams explained, and barges moving east are forced into the open Gulf. No protected canal is available until they arrive at a point north of Clearwater. This "missing link" must be authorized by Congress, Adams said, before money can be appropriated for its construction.

With the waterway complete Florida would become a point of trans-shipment of bulk cargoes to Central and South America, to Africa and the Middle East through the Panama Canal to the ports of the Pacific, Adams explained.

More First Awards Canal Point Girls

Canal Point 4-H Girls, who were awarded many ribbons in various events and exhibits in the first days of the South Florida Fair and Exposition, continued their winning ways through the last day, Saturday, Jan. 30, when the 4-H Grand Dress Revue, the finals in County-wide competition in 4-H sewing skills, was held on the stage at the west end of the Agricultural Tent.

In the awarding of grand prizes the sewing project groups were divided according to years of experience in 4-H sewing and garment making activities, with first-place winners receiving rosettes, and second and third-place winners receiving special recognition as runners-up.

The Canal Point Rebelettes, an advanced 4-H sewing club which has Mrs. Ray Ursay as leader, had winners in each of the three upper divisions. Pam Ursay, who recently received the South Florida Dairy Merit Award, was awarded the first-place Rosette in the four-year sewing group; and Lillian Sims was runner-up in the same group. In the third-year group Pam's sister, Ralena, also a South Florida Dairy Merit Award winner, was a runner-up. In the advanced

sewing group, with five years or more of sewing experience, Nancy Harrington, junior leader of the Rebelettes, was a runner-up.

In the Canal Point beginners sewing group, known as the Buttons and Bows Club, with Mrs. Elmer Maxson, leader, Cathy Maxson was a runner-up in the second-year group.

Other County winners in the final 4-H Grand Dress Revue: First Year (4-H skirts and blouses) Vicki Lund, Jupiter, rosette; Margaret Hornik of Jupiter and Renell Vought of Belle Glade, runners-up. First Year (garments other than skirts and blouses) Ruth Guadano of Lake Park, rosette; Diana Hall of Sleepy Hollow and Alice Lamb of Belle Glade, runners-up. Second Year: Sharon Gabriel of Lake Park, rosette; Pam Cherry of Lake Park, runner-up.

Also Third Year: Terry Priest of Belle Glade, rosette; Anita Blaum of Happy Clover, runner-up. Fourth Year: Linda Ech of Military Trail, runner-up. Eloise Elliott To Wed Don W. Kelly

Mr. and Mrs. William H. Elliott, Jr., of 297 E. 4th Street, announce the engagement and approaching marriage of their daughter, Eloise, to Don Wayne Kelly, son of Mrs. C. B. Kelly of 232 Rardin Avenue. Miss Elliott graduated from Pahokee High School in 1964, attended Andrew College in Cuthbert, Georgia and is now at her home in Pahokee. Mr. Kelly also graduated from Pahokee High School, 1962, and is presently employed by Glade Auto Supply in Belle Glade.

A February 19 wedding is to be held at the home of Miss Elliott's parents in Pahokee.

Miss Jann Plumer has returned to her studies at Stetson University, DeLand following a 10 day visit with her parents, Mr. and Mrs. William S. Plumer.

Miss Harrington Attending Seminar

Miss Janette Harrington, a senior at Florida State University, daughter of Mr. and Mrs. A. Roswell Harrington, is representing the Florida Methodist Student Movement as its official delegate to the 16th annual Christian Citizenship Seminar, being sponsored this year, Jan. 30 to Feb. 6 in New York City and Washington, D. C., by the National Methodist Student Movement.

The theme of this year's seminar is "United States and Latin America—Conflict and Reconciliation." Miss Harrington will be in the study group assigned to analyze a subplot of the theme, entitled "Cuba or Chile—Model for Latin America?"

The seminar is in session in New York from Saturday through Tuesday, and in Washington from Wednesday through Saturday. Many interesting educational activities are scheduled for the delegates in addition to attending lectures and participating in study group discussions at the Seminar.

In New York, Miss Harrington's group attended a session of the United Nations, visited Columbia University, Visited the Cuban and Chilean Missions at the U. N. and attended two off Broadway plays. In Washington she will see Congress in action in the Senate Building, visit U. S. Senators and Representatives from Florida and go on tours of Wesley Theological Seminary, George Washington and Howard Universities. She will return Feb. 6 to Tallahassee to resume her studies at F. S. U.

Power Company Defended After Attack On Rates

Manager Homer T. Welch, Jr. of the Lee County Electric Cooperative took issue with a spokesman for the National Rural Electric Cooperative Association who criticized Florida Power & Light Co. and other state utility firms. Welch said the accusations made by the association spokesman "will not help the cooperative movement in our state but will cause great damage to our cause and to our people."

The spokesman for the national group in convention at Miami Beach had accused Florida Power & Light, Florida Power Corp. and Tampa Electric Co. of grossly overcharging their customers for power. Ronnie Straw, staff economist for the association, computed the company's return on investment at about 8 per cent. Straw said it made more than \$85 million in seven years and "should receive no more than a 6 per cent return."

Welch, who attended the convention in Miami Beach, said Straw "has set himself up as a rate expert and feels that he can sit in Washington and decided what is best for the people of Florida and their rapidly expanding economy."

"Mr. Straw states that a 6 per cent return is all the Florida utilities should be allowed. He ignores the fact that the Florida State Utilities Commission, elected by the people of Florida, feel that a 6.96 per cent rate of return is necessary for the utilities to stay healthy and to be able to attract the large sums of money needed to expand."

In a statement, Welch declared: "We are a member of the National Rural Electric Co-operative Association but we do not concur with Mr. Straw's ideas. We want to go on record that our treatment by Florida Power & Light Co. has been most fair and our rates are reasonable."

The Lee County Cooperative buys power wholesale from FPL and retails it to its customers from Sanibel and Captiva, across the mainland through North Fort Myers and south to Immokalee and Everglades.

Welch continued: "If it had not been for the territorial agreements, reasonable rates, technical advice and help freely given by Florida

Pahokee WMU Meets In Regular Session

The Pahokee Baptist WMU business meeting was held at the church Tuesday morning, February 2 with Mrs. Guthrie Colvard presiding in the absence of Mrs. E. B. Gamble, president. It was announced that the March week of prayer would be held on March 1 thru 5 at the church.

Mrs. Claude Shirley announced that each circle will have an individual study course on home missions this month. The attendance banner went to the Little Moon circle. The program entitled "Alaska" was presented by Mrs. Colvard. She was assisted by Mrs. Joe Thompson, Mrs. M. P. Stanley, Mrs. M. J. Sapp, Mrs. Horace Union and Mrs. Ralph Crews.

Valentine Dance Elks Club Feb. 13

The 17th annual Beta Sigma Phi Valentine Dance sponsored jointly by the four local chapters of the sorority, will be held in the ballroom of the Pahokee Elks Club Saturday night, Feb. 13 starting at 10 p. m.

Donations will be \$10.00 per couple, with proceeds to go into the Hospital Fund. Music for dancing will be furnished by Joe Sigmond's Orchestra of West Palm Beach.

Invitations to the dance have been mailed, and couples unable to accept an invitation are asked to notify Mrs. Jill Pitts, (phone 924-7144) or Mrs. Penny Clark (phone 924-5437), or Mrs. Dorothy Buckner (phone 924-2951), who are in charge of table reservations.

Mrs. Dorothy Buckner is serving as chairman and Mrs. Jill Pitts, co-chairman, in charge of general arrangements for the dance. Each chapter is actively engaged in a special service: Invitations and reservations—Phi Gamma Nu, Mrs. Penny Clark and Mrs. Joan Gamot, co-chairmen; hors d'oeuvre and other refreshments—Beta Omicron, Mrs. Rita Wolfe and Mrs. Sheila Ames, co-chairmen; coronation ceremony for the crowning of the new queen — Xi Beta Tau, Mrs. Lois White and Mrs. Beth Wilkinson, co-chairmen; decorations—Xi Alpha Mu, Mrs. Joan Tucker, Mrs. Marjorie Mock and Mrs. Becky Howard, co-chairmen.

Plans Are Made To Complete Program

The Palm Beach County Commission this week took another step toward completion of its proposed road and bridge program, authorizing employment of fiscal agents to handle a new bond issue to finance the program.

The board named two firms—Goodbody & Company and Thomas M. Cook Co., to act as fiscal agents for a new bond issue to be backed by the county's share of gasoline taxes.

Size of the issue has not yet been determined but is expected to be between .425 and \$3 million. Funds from the new issue will be used to complete planned projects in a previous \$15 million road and bridge program which ran short of funds because of rising construction costs.

The county learned Monday that there may be a \$600,000 saving in the bond issue if the state will assume cost of extension of Beeline Highway to Old Dixie Highway. County engineer George Frost explained that the Beeline Highway is a primary state road and may be extended from primary funds rather than from bond issue money.

Why should you buy

U. S. Savings Bonds when there are

so many other good investments?

To help your country is one answer—and a good one.

But Bonds have other advantages that make them

worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are

a safe investment—as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

**Diazinon
controls most Florida
vegetable insects.**

Diazinon® insecticide is the only product you need to control most of the major insects of Florida vegetable crops. Here's the kind of "money-in-the-bank" program that Diazinon can provide:

Diazinon simplifies your spray program. It reduces the need to use several different insecticides. You spray less when you spray with Diazinon. So you save time and money.

You kill insects quickly with Diazinon. And the "staying power" of Diazinon provides outstanding control of problem insects like aphids, Southern armyworms and leaf miners for a long time.

You can use Diazinon throughout the seasons. And close to harvest, without residue problems.

So take advantage of the benefits of superior vegetable foliar insect control with Diazinon. Order dependable Diazinon 50W wettable powder, or Diazinon AG500 emulsifiable concentrate, from your local supplier today.

Early and mid-season control with Phosdrin hits insects hard, cleans them up fast.

Close-to-harvest insect control with Phosdrin gives you an unbeatable way to insure crop quality.

Now, Phosdrin is an all-season insecticide

*-vegetable growers are using its
hard-hitting control and fast disappearance in every spray.*

The special effectiveness that has always made Phosdrin® Insecticide profitable for late-season use is now protecting vegetables throughout their growth. Here's why:

THE 5- to 7-day spray schedules authorities now recommend have changed the role of Phosdrin. With its rapid speed of kill and near-perfect insect control, Phosdrin is extremely effective in the new short-interval spray schedules.

Also important in the new programs: Phosdrin is competitive on a cost per acre basis and its fast disappearance eliminates problems.

Insects and residues both vanish

A Phosdrin spray cleans up a broad spectrum of insects in a matter of minutes—aphids, mites, loopers, worms, almost all destructive pests attacking vegetables. Because control is

so thorough, insects can't build to damaging levels between sprays. And, of course, accidental drift to a nearby field also disappears rapidly.

Phosdrin makes it easy to avoid problems—all season and close to harvest. It's gone from the field a few hours after application.

Complete control is economical

Phosdrin alone, protects lettuce, tomatoes, beans, peppers, celery, watermelons, eggplant and many other vegetables. There's no need to add another insecticide and raise costs... even if resistant insects are present. Phosdrin stops them too. And it offers a wide margin of safety to leaves and fruit of insecticide-sensitive crops like cucumbers and lettuce.

A little Phosdrin goes a long way. As little as $\frac{1}{4}$ pound per acre is all it takes to end the damage of most vegetable insects. Dosage rates seldom exceed $\frac{1}{2}$ pound per acre. Check

into costs and consider the overall protection Phosdrin gives you and your crop, and you'll see why it pays to use Phosdrin all season.

Phosdrin is available from your local insecticide dealer under many well-known brand names, or as a product of Shell. In liquid or dust.

Shell Chemical Company, Agricultural Chemicals Division, 55 Marietta Street, N.W., Atlanta 3, Georgia.

Always read and carefully follow label directions.
